As part of your application, you will need to be available for a **15 minute telephone or in-person conversation between Monday, July 9 and Thursday, July 12**. The purpose of the conversation is for Chamber representatives and Leadership Roanoke Valley volunteer leaders to learn more about your expectations for the program and to answer any specific questions you may have. This is a chance to make sure the program is catered to your leadership development, and to share the vision for LRV as it relates to you. The day/time for your check-in conversation will be communicated by email by June 20.
